Experienced Tutor | National University of Singapore | MSc in Mathematics

I have 11 years of experience teaching IB, IGCSE, and A-Level Maths, with degrees in Mathematics from the National University of Singapore (MSc) and Nanyang Technological University (BSc). My goal is to help students excel in exams and build problem-solving confidence.

Teaches:

IB Maths

A-Level Maths

IGCSE Maths

GCSE Maths

AP Calculus

Curriculum:

IB

A-Level

GCSE

IGCSE

AP

Qualifications

National University of Singapore: MSc in Mathematics (2010–2012)

Nanyang Technological University: BSc in Mathematics (2006–2010)

Vetted Tutor

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

With 11 years of experience, I've tutored students in IB Maths and A-Level Maths, helping them achieve top scores in exams. My experience includes teaching across various international curriculums, allowing me to adapt my lessons to meet the unique needs of my students. I've worked with students from Singapore, the UK, and beyond.

I've guided students through challenging mathematical concepts, focusing on problem-solving techniques and exam strategies that help them excel in both coursework and exams. My students have consistently improved their grades and gained confidence in their mathematical abilities.

In addition to school-level tutoring, I have helped students prepare for AP Calculus, equipping them with the knowledge and skills needed to tackle university-level mathematics. Many of my students have successfully gained admission to top universities, thanks to their strong foundations in maths.
