Tutoring Experience

For the past 8 years, I've been dedicated to guiding students through various international curricula, including IB, A-Levels, and IGCSE. My experience spans working with students of all levels, helping them master topics like calculus, linear algebra, and probability.

I've also supported students in preparing for AP Calculus exams, ensuring they gain a deep understanding of the subject and achieve top results. My commitment to helping students succeed has allowed me to develop a comprehensive understanding of their learning needs, ensuring a tailored approach for each individual.
